YaleNUSCollege

Appointment	**Lecturer in Mathematics, Computer Science, and Data Science.**
Position Description	Yale-NUS College is a highly selective liberal arts and science college in Singapore. Co-founded by Yale University and the National University of Singapore, the College is committed to excellence in research and teaching within a full residential programme that integrates living and learning. Its curriculum educates students in Asian and Western intellectual traditions as well as current scientific thought. The College is seeking to hire up to three full-time Lecturer positions in mathematics, computer science, and data science (statistics). These positions are on a one (1) year contract, starting in the academic year 2022-2023 with possibility of extension of up to two (2) more years, subject to good performance of the incumbent, and the College's teaching needs. The successful candidate is expected to teach at least five (5) courses, which will be in the area of either mathematics, computer science, and data science (statistics) and/or in the Common Curriculum (https://www.yale-nus.edu.sg/curriculum/common-curriculum/). Advising students will also be required as needed.
Requirement	• PhD in either Mathematics, Computer Science, Data Science, Statistics or related subjects from a regionally or internationally accredited institution. • At least two (2) years of undergraduate teaching experience. The College offers competitive salaries that are commensurate with qualifications and experience.
Application Procedure	Applications should consist of the following: a cover letter explaining why the position at Yale-NUS is of interest; a full curriculum vitae, including a complete list of publications; statement on teaching experience and teaching philosophy, including how these might fit with the College's particular mission and curriculum; teaching evaluations; three reference letters (to be submitted by the reference writers via AJO link and other relevant documents. Applications should be submitted via https://academicjobsonline.org/ajo/jobs/21704. Review of applications begins 30 May 2022 and continues until the positions are filled. Only shortlisted candidates will be notified. For general inquiries, please email: facultyrecruitment@yale-nus.edu.sg.
Equal Opportunity Employer	Yale-NUS College achieves excellence through the diversity of its students, faculty, and staff and by embracing inclusivity, equity, and global engagement. We encourage applications by diverse individuals with a demonstrated commitment to these values. For more information about the College, please visit https://www.yale-nus.edu.sg.
Personal Data Protection Act (PDPA)	Candidates should understand that by sharing information with Yale-NUS, they authorise the College to use their personal data for the purposes of this application. The College will not use their data for other purposes and ensure that their data remains secure and confidential.

COVID-19 Message

At Yale-NUS College/NUS, the health and safety of our staff and students is one of our utmost priorities and COVID-vaccination supports our commitment to ensure the safety of our community and to make Yale-NUS/NUS as safe and welcoming as possible. Many of our roles require significant amount of physical interactions with student / staff / public members. Even for job roles that can be performed remotely, there will be instances where on-campus presence is required.

With effect from 15 January 2022, based on Singapore's legal requirements, unvaccinated employees will not be able to work at the College/NUS premises. As such, we regret to inform that job applicants need to be fully COVID-19 vaccinated for successful employment with Yale-NUS/NUS.[1]
