Classes do not meet on Public Holidays. Please refer to the Islamic Religious Council of Singapore website (<https://www.muis.gov.sg/>) for the Islamic Calendar for the period of Ramadan (month of fasting).

<sup>2</sup> Learning Across Boundaries (LAB) projects are managed by CIPE. More information will be available to students after the start of the semester.

<sup>3</sup> Reading Week: (i) Applies specifically to modules with a final examination to give students an opportunity to prepare for that examination without the distraction of classes or other module-related activities. (ii) Reading Week also addresses the need to synchronise the end-of-classes timing between Yale-NUS College and NUS, so as to avoid inconveniencing students enrolled in modules at either institution. (iii) For modules that do not involve a final examination, the Reading Week can be used for supplementary or make-up activity, provided the instructor is mindful of (i) and (ii) above.
