

Appointment Tenured or Tenure-track (Open rank) Faculty Position in Computer Science

Position Description

Yale-NUS College is a liberal arts and sciences college with approximately 1000 students and 110 full-time faculty. The College is a collaboration between Yale University and the National University of Singapore. Yale-NUS students are intellectually outstanding, with an acceptance rate of less than 7%, and internationally diverse, representing over seventy countries. They go through a unique and rigorous Common Curriculum in the sciences, social sciences and humanities that combines Western and Eastern traditions with contemporary skills.

The College invites applications for one open rank, tenure-track or tenured faculty position in Computer Science. Preferred fields of specialisation are Databases, Cybersecurity, Computer Networks, Artificial Intelligence, Human Computer Interaction, and Web Science.

Applicants should have a relevant PhD and demonstrate an outstanding track record for their career stage. Research achievements should include publications in leading peer-reviewed journals or conferences commensurate with career stage, as well as a demonstrated potential to secure research funding.

A clear ability and passion for undergraduate education is essential. The incoming faculty member would join a committed team dedicated to the development and teaching of the Mathematical, Computational and Statistical Sciences and Yale-NUS's flagship Common Curriculum (see <http://www.yale-nus.edu.sg/curriculum/common-curriculum>).

The appointee will be expected to begin duties in time for the start of the 2020-2021 academic year.

Faculty receive internationally competitive salaries and start-up grants as well as a yearly travel and research allowance, and are able to access additional funding from Yale-NUS, the National University of Singapore and Singapore's Ministry of Education. Most faculty qualify for highly subsidized faculty housing. Yale-NUS College is located in Singapore, a multicultural city of six million at the heart of a vibrant region.

Application Procedure

Applications should consist of the following: a cover letter explaining why the position at Yale-NUS is of interest; a full curriculum vitae, including a complete list of publications; statements on research interests, teaching experience and teaching philosophy, including how these might fit with the College's particular mission and curriculum; three reference letters (to be submitted by the reference writers via <https://academicjobsonline.org/ajo/YaleNUS>; and other relevant documents.

Applications should be submitted via <https://academicjobsonline.org/ajo/YaleNUS>. Review of applications begins 1 January 2020 and continue until the position is filled.

Only shortlisted candidates will be notified.
