

March, 2021

CURRICULUM VITAE
STEVEN L. BERNASEK

Business Address

Division of Science
Yale-NUS College
16 College Avenue West
Singapore 138527

Department of Chemistry
Princeton University
Princeton, NJ 08544-1009

Home Address

Cendana Residential College
28 College Avenue West, #27-501
Singapore, 138533

3625 Kite Landing Lane
Plano, TX 75074
USA

Contact

Business: (Yale-NUS) (65) 6601-5245 email: steven.bernasek@yale-nus.edu.sg
US Cell: (682) 716-0164 mobile: (65) 9189-6371
Business: (Princeton) (609) 258-4986 email: sberna@princeton.edu

Personal Information

Birthdate: December 14, 1949
Birthplace: Holton, Kansas
Married: June 5, 1971 to Sandra Lynn Taylor
Children: Lisa Marie Bernasek, born January 2, 1975
 Eric Dean Bernasek, born July 14, 1978

Education

B.S. Chemistry, Magna cum Laude, Kansas State University, 1971
Ph.D. Chemistry, University of California, Berkeley, 1975.

Employment

July 2019 to present Rector, Cendana Residential College, Yale-NUS
July 2015 to present Professor of Science, Yale-NUS College, Singapore
May 2017 to July 2018 Executive Vice President-Academic Affairs
 Yale-NUS College, Singapore
July 2016 to May 2017 Dean of Faculty, Yale-NUS College, Singapore
July 2015 to July 2016 Director Division of Science
 Yale-NUS College, Singapore
July 2015 to present Professor of Chemistry Emeritus, Princeton University
July 1986 to July 2015 Professor of Chemistry, Princeton University

Sept 2014 to Feb 2015	Interim Division Director Chemistry Division, National Science Foundation
Jan. 2004 to July 2004	Acting Chairman, Chemistry, Princeton University
July 1996 to July 2004	Associate Chairman, Chemistry, Princeton University
Sept 1992 to Sept. 2007	Off Site, Part Time Program Officer Chemistry Division, National Science Foundation
Sept 1991-August 1992	Visiting Scientist, Chemistry Division National Science Foundation
July 1981 to June 1986	Associate Professor of Chemistry
July 1975 to June 1981	Assistant Professor of Chemistry Department of Chemistry Princeton University Princeton, NJ 08544-1009
Jan. 1975 to June 1975	Postdoctoral Research Associate Lawrence Berkeley Laboratory University of California Berkeley, CA 94720
Oct. 1971 to Jan. 1975	NSF Fellow and Graduate Research Assistant Department of Chemistry University of California Berkeley, CA 94720
May 1971 to Sept. 1971	Research Chemist
May 1970 to Sept. 1970	Radiochemistry Department Lawrence Livermore Laboratory Livermore, CA 94550

Honors and Awards

- Putnam Scholar, Kansas State University, 1967-1971
- H.H. King Chemistry Scholarship, Kansas State University, 1967-1971
- *Phi Eta Sigma*
- *Phi Kappa Phi*
- National Science Foundation Graduate Fellow, 1971-1975
- Woodrow Wilson Fellowship Finalist, 1971
- DuPont Young Faculty Award, 1977
- ACS-Exxon Award in Solid State Chemistry, 1981
- Alexander von Humboldt Foundation Research Fellow, 1985-1986, 1990, 2007
- Fellow of the American Association for the Advancement of Science, 1994
- Visiting Fellow, JILA, University of Colorado, 1999
- Distinguished Visiting Professor, National University of Singapore, 1998, 2000, 2003, 2007, 2010, 2011, 2012, 2014
- Moses Gomberg Lecturer, University of Michigan, 2001
- Fellow of the American Vacuum Society, 2001
- ACS Arthur W. Adamson Award for Distinguished Service in the Advancement of Surface Chemistry, 2006
- ACS Petroleum Research Fund Advisory Board, 2009-2015
- KOSMOS Fellow, Humboldt University-Berlin, 2014-2015
- King Faisal Prize in Science, Award Committee, 2019

Professional Societies

- *Sigma Xi*
- *Phi Lambda Upsilon* Chemistry Society
- American Chemical Society
- American Association for the Advancement of Science
- American Physical Society
- American Vacuum Society

Department, University and Service to the Discipline

Princeton University

Director of Graduate Studies, Chemistry, 1982-1985, 1993-1996, 2008-2011.
Senior Faculty Recruiting and Long-Range Planning Committee, Chemistry, 2005-2010
Graduate Work Committee, Chemistry, 1993 to 2015

Executive Committee of Princeton Materials Institute, 1994-1996.
Executive Committee of Plasma Science Program, 2005-2015
Executive Committee of Environmental Studies Program, 2001-2015

University Committee on Conference and Faculty Appeal, 1977-1980, 1998-2001, 2003, 2004

Council of the Princeton University Community, 1986-1989

University Research Board, 2004-2008, 2009

University Committee on Examinations and Standing, 2006-2009, 2010-2011

University Committee on Occupational Health and Safety, 1990-1992

University Committee on Environment, Safety, and Risk Management, 2004-2015

Freshman/Sophomore Academic Advisor, 1976-1981, 1982-2015

Fellow of Rockefeller Residential College, 1982-2015

Affiliated Faculty of Princeton Environmental Institute

Affiliated Faculty of Princeton Institute for the Science and Technology of Materials

E-affiliates Advisory Committee, faculty member, Andlinger Center, 2013

Panelist for Physical Sciences, European Research Commission, 2009 to 2016

Laboratories of Excellence Jury, ANR (French National Science Foundation), 2010-2011, 2015, 2018

Centers of Excellence Review Panel, Deutsche Forschungsgemeinschaft, 2011-2012

Severo Ochoa review panel, Spanish Ministry of Science, 2011, 2020

Chemistry research institutes reviewer, Czech Academy of Sciences, 2014-2015, 2020-2021

Site visit reviewer, Brookhaven National Laboratory, Pacific Northwest National Laboratory, Oak Ridge National Laboratory, Materials Research Laboratories-University of Illinois, Cornell University.

Reviewer for DOE, NSF, AFOSR, ARO, ONR funding agencies.

Reviewer for Physical Review, Science, Journal of the American Chemical Society,

Langmuir, Journal of Physical Chemistry, Journal of Chemical Physics, Applied Physics

Letters, Journal of Applied Physics, Journal of the Electrochemical Society, Surface Science,

Chemical Reviews, Accounts of Chemical Research, Angewandte Chemie, Applied Catalysis

B: Environmental.

Yale-NUS College

Science Division Director, 2015-2016, 2021

Head of Studies, Physical Science, 2015-2016, 2021

Dean of Faculty, July 2016 to May 2017

Executive Vice President-Academic Affairs, May 2017 to July 2018

Rector, Cendana Residential College, July 2019 to present

Academics Committee, 2015 to 2017

Research Resources Committee, 2015 to 2017, 2019 to present

Committee on Faculty Affairs, 2015 to 2017, 2019 to present

Yale-NUS College Cabinet, 2016 to 2018, 2019 to present

Appointments Committee, 2016 to present

Academic Steering Group, 2016 to 2018

Research Committee (Chair), 2018 to present

161. Institut für Grenzflächenforschung und Vakuumphysik der Forschungszentrum - Jülich, Germany, September, 1997.
162. Fiftieth Joint Meeting of the Czech and Slovak Chemistry Societies, Zlin, Czech Republic, September, 1997.
163. Seventeenth European Conference on Surface Science, Enschede, The Netherlands, September, 1997.
164. Chemical Physics Colloquium, University of Colorado, Boulder, January, 1998.
165. Department of Chemistry, Technion, Haifa, Israel, May, 1998.
166. Seventh International Symposium on Chemically Modified Surfaces, Northwestern University, Evanston, Illinois, June, 1998.
167. Award Symposium, Distinguished Service in the Advancement of Analytical Chemistry, ACS Meeting, Boston, August, 1998.
168. First Singapore Chemical Conference, Singapore, December, 1998.
169. Department of Chemistry, National University of Singapore, Singapore, December, 1998.
170. Faculty of Science, National University of Singapore, Singapore, January, 1999.
171. Synchrotron Radiation Research Center, Hsin-Chu Science Park, Hsin-Chu, Taiwan, January, 1999.
172. Institute for Atomic and Molecular Science, Academic Sinica, National Taiwan University, Taipei, Taiwan, January, 1999.
173. Laboratory for Surface Modification, Department of Physics and Astronomy, Rutgers University, New Brunswick, New Jersey, February, 1999.
174. Gordon Research Conference on Chemical Reactions at Surfaces, Ventura, California, March, 1999.
175. Environmental Molecular Sciences Laboratory, Pacific Northwest National Laboratory, Richland, Washington, March, 1999.
176. Department of Chemistry, Wayne State University, Detroit, April, 1999.
177. Department of Chemistry, Johns Hopkins University, Baltimore, October, 1999.
178. JILA, University of Colorado, Boulder, November, 1999.
179. Department of Chemistry, Tufts University, Boston, November, 1999.
180. Optical Sciences and Engineering Program, University of Colorado, Boulder, December, 1999.

181. Surface Science and Catalysis Seminar, Lawrence Berkeley National Laboratory, Berkeley, January, 2000.
182. Symposium to honor Gabor Somorjai, ACS National Meeting, San Francisco, March, 2000.
183. Department of Chemistry, National University of Singapore, Singapore, August, 2000.
184. Pauling Award Symposium, Western Washington University, Bellingham, Washington, October, 2000.
185. Symposium on Advances in Electronic Nose Research, San Diego, October, 2000.
186. Workshop on Academic Careers in Chemistry, Eastern Analytical Symposium, Atlantic City, New Jersey, October, 2000.
187. Symposium on Molecule-Metal Surface Interactions, San Juan, Puerto Rico, November, 2000.
188. Moses Gomberg Lecture, Department of Chemistry, University of Michigan, Ann Arbor, Michigan, January, 2001.
189. Department of Chemistry, Seton Hall University, South Orange, New Jersey, February, 2001.
190. Department of Chemistry, Drexel University, Philadelphia, Pennsylvania, April, 2001.
191. Workshop on Academic Careers in Chemistry, Eastern Analytical Symposium, Atlantic City, New Jersey, October, 2001.
192. Department of Physics and Applied Physics, Rensselaer Polytechnic Institute, Troy, New York, November, 2001.
193. Department of Chemistry, University of Massachusetts-Lowell, Lowell, Massachusetts, March, 2002.
194. Department of Physics, Kansas State University, Manhattan, Kansas, April, 2002.
195. Surface Analysis 2002, Vanderbilt University, May, 2002.
196. International Conference on Solid Films and Surfaces, Marseille, France, July, 2002.
197. Department of Chemistry, Virginia Commonwealth University, Richmond, Virginia, October, 2002.
198. Department of Chemistry, Texas A&M University, College Station, Texas, October, 2002.
199. Department of Chemistry, Pennsylvania State University, University Park, Pennsylvania, October, 2002.
200. Princeton Environmental Institute, Princeton University, Princeton, New Jersey, November, 2002.

201. Second International Conference on Elementary Processes in Molecule-Metal Surface Interactions, San Juan, Puerto Rico, May, 2003.
202. KAIST-Princeton Conference on Nano-materials, Jeju Island, Korea, June, 2003.
203. Gordon Research Conference on Dynamics at Surfaces, Andover, New Hampshire, August, 2003.
204. Department of Chemistry, University of Illinois at Urbana-Champaign, September, 2003.
205. Department of Chemical Engineering, University of Texas, Austin, Texas, September, 2003.
206. 204th Electrochemical Society National Meeting, Orlando, Florida, October, 2003.
207. Workshop on Academic Careers in Chemistry, Eastern Analytical Symposium, Somerset, New Jersey, November, 2003.
208. International Conference on Materials for Advanced Technologies, Singapore, December, 2003.
209. Department of Chemistry, National University of Singapore, Singapore, December, 2003.
210. Department of Chemistry, University of California, Berkeley, California, February, 2004.
211. Integrated Sciences Department, Claremont Colleges, Claremont, California, February, 2004.
212. Laboratory for Surface Modification, Rutgers University, Piscataway, New Jersey, April, 2004.
213. Department of Chemistry, Drexel University, Philadelphia, PA, May, 2004.
214. Physical Electronics Conference, UC Davis, Davis, California, June, 2004.
215. Princeton-Oxford Summer School on Advanced Materials Characterization, University of Oxford, Oxford, United Kingdom, July, 2004.
216. CRC Symposium on Catalytic Dynamics, Hokkaido University, Sapporo, Japan, October, 2004.
217. Gordon Research Conference on Reactions at Surfaces, Ventura, California, February, 2005.
218. Department of Chemistry, National University of Singapore, Singapore, February, 2005.
219. Faculty of Science, National University of Singapore, Singapore, March, 2005.
220. Second Annual University of California Symposium on Surface Science and its Applications, Berkeley, California, March, 2005.

221. Princeton University Local Science Education (PULSE), West Windsor Public Library, West Windsor, New Jersey, March, 2005.
222. Middle Atlantic Regional ACS Meeting, Rutgers University, May, 2005.
223. KAIST Nanomaterials Short Course, Korea Advanced Institute of Science and Technology, Daejon, Korea, October, 2005.
224. Eastern Analytical Symposium, Academic Careers in Chemistry Workshop, November, 2005.
225. Princeton University Local Science Education (PULSE), Trenton High School, Trenton, New Jersey, December, 2005.
226. New York Society of Cosmetic Chemists, Bridgewater, New Jersey, January, 2006.
227. KAIST-Chemistry International Symposium, Jeju Island, Korea, February, 2006.
228. ACS Awards Symposium, Adamson Award address, ACS National Meeting, Atlanta, March, 2006.
229. Kansas State-Wide EPSCoR Conference, University of Kansas, April, 2006.
230. Symposium on Dynamics of Single Atoms, Molecules, and Clusters on Surfaces, ACS National Meeting, San Francisco, California, September, 2006.
231. Surface Chemistry Symposium in Honor of Gabor Somorjai, ACS National Meeting, San Francisco, California, September, 2006.
232. AVS 53rd International Symposium, Organic Film Growth and Characterization, San Francisco, California, November, 2006.
233. Institute of Chemical and Engineering Sciences, ICES/A-STAR, Jurong Island, Singapore, April, 2007.
234. Chemistry Honours Symposium 2007, Department of Chemistry, National University of Singapore, Singapore, April, 2007.
235. Third Annual Meeting on Nanoscience and Nanotechnology, Bilkent University, Ankara, Turkey, June, 2007.
236. Department of Applied Physics, University of Twente, Enschede, The Netherlands, June, 2007.
237. Abteilung Chemische Physik, Fritz-Haber-Institut der Max Planck Gesellschaft, Berlin, July, 2007.

238. MURI-ONR Contractor's annual meeting, NIST, Boulder, Colorado, July, 2007.
239. Physical Chemistry Seminar, Brown University, Providence, Rhode Island, October, 2007.
240. MURI Progress Review, Department of Physics, University of California-Berkeley, November, 2007.
241. Laboratory for Surface Modification, Rutgers University, February, 2008.
242. Priestley Award Symposium, ACS National Meeting, New Orleans, April, 2008.
243. Adamson Award Symposium, ACS National Meeting, New Orleans, April, 2008.
244. VIII Turkish Chemical Physics Symposium, Istanbul Technical University, Istanbul, Turkey, April, 2008.
245. Fifth Annual University of California Symposium on Surface Science and its Applications, Santa Barbara, California, June, 2008.
246. Department of Chemistry, University of Kentucky, Lexington, Kentucky, September, 2008.
247. Spring Symposium, Catalysis Society of Metropolitan New York, Princeton, March, 2009.
248. Combustion Research Facility, Sandia National Laboratories, Livermore, California, June, 2009.
249. ECASIA 2009, Antalya, Turkey, October, 2009.
250. Eastern Analytical Symposium, Somerset, New Jersey, November, 2009.
251. Department of Chemistry, National University of Singapore, Singapore, January, 2010.
252. Symposium on Surface Science of Catalysis, ACS National Meeting, Boston, August, 2010.
253. Symposium on Chemical Reaction Dynamics at Surfaces, ACS National Meeting, Anaheim, California, March, 2011.
254. Symposium on "Interfacial Chemistry and Engineering and their Applications for Molecular and Organic Electronics", International Conference on Materials for Advanced Technologies, 2011, Singapore, June, 2011.
255. Eastern Analytical Symposium, Somerset, New Jersey, November, 2011.
256. Department of Physics, Humboldt University, Berlin, January, 2012.

257. Physical Chemistry Forum, Institute of Physical Chemistry, Peking University, Beijing, China, June, 2012.
258. Northern Pacific Ocean University Honorary Lectureship, Tianjin University School of Chemical Engineering and Technology, Tianjin, China, June, 2012.
259. College of Materials Science and Engineering, Sichuan University, Chengdu, China, June, 2012.
260. Institute of Advanced Materials, School of Materials Science and Engineering, Nanjing University of Posts and Telecommunications, Nanjing, China, July, 2012.
261. College of Chemistry, Chemical Engineering, and Materials Science, Soochow University, Suzhou, China, July, 2012.
262. Department of Chemistry, University of Houston, October, 2012.
263. Department of Chemistry, City College of New York, CUNY, March, 2013.
264. 50th Reunion Celebration, National Youth Science Camp Alumni Association, Snowshoe Mountain, West Virginia, July 2013.
265. Air Force Research Laboratory, Kirtland Air Force Base, Albuquerque, October, 2013.
266. Humboldt University, Department of Applied Physics, Berlin, October, 2013.
267. IIT Madras, Department of Chemistry, Conference on Low Energy Ion Scattering at Molecular Solids, Chennai, India, January, 2014.
268. Department of Environmental Chemistry, Shanghai Normal University, Shanghai, China, April, 2014.
269. Department of Chemistry, Shanghai Electric Power University, Shanghai, China, April, 2014.
270. Princeton Center for Theoretical Science, Origin of Biological Homochirality Workshop, Princeton University, April, 2014.
271. Department of Chemistry, National University of Singapore, Singapore, May, 2014.
272. Institute for Materials Research and Engineering (IMRE), National University of Singapore, June, 2014.
273. Humboldt University-Berlin, KOSMOS Summer University, Chemistry and Physics of Novel Materials for Optoelectronics, Berlin, July, 2014.
274. Institute for Integrative Science (IRIS), Humboldt University-Berlin, July, 2014.

275. Plenary Speaker, International Symposium on Resource Chemistry, Shanghai Normal University, Shanghai, China, September, 2014.
276. Division of Science, Yale-NUS College, Singapore, November, 2014.
277. Institute for Integrative Science (IRIS), Humboldt University-Berlin, April, 2015.
278. Department of Materials, ETH Zürich, Switzerland, April, 2015.
279. Invited speaker, Nichols Award Symposium honoring Gabor A. Somorjai, New York Section, American Chemical Society, White Plains, NY, April 17, 2015.
280. Department of Chemistry, National University of Singapore, April, 2016.
281. Symposium Panel honoring American Institute of Chemists Gold Medal Award Laureate Professor Henry Schaefer, Philadelphia, May 8, 2019.
282. Plenary Lecture, 2019 International Symposium on Resource Chemistry, Shanghai Normal University, Shanghai, China, May, 2019.
283. Invited speaker, World Chemistry Forum, Osaka, Japan, May 2021.
284. Plenary Lecture, 2020 International Symposium on Resource Chemistry, Shanghai Normal University, Shanghai, China, postponed to October, 2021.
